

# Community Development Program

## Division of Sociology and Family Studies

Thank you for your interest in the Community Development Program at Brescia University College. Please complete this application form and return it to Brescia University College by **no later than April 15<sup>th</sup>**. Applications received after this deadline will be considered at the discretion of the department.

This application is designed to support your intent to register in a Community Development program. Because this program involves a practicum/field placement, your responses to the questions on this application form will help us to identify your particular interest and create an effective "out of classroom" learning experience for you. Please note that all placements are off campus, and it is the responsibility of the student to arrange for transportation to and from the placement.

5. Are there issues in your personal experience or history which might make certain community placements a challenge for you, and that the committee ought to know about?

6. Community placements will be determined through a collaborative process among students, the faculty placement coordinator and the community partner. Students should be aware that there may be costs associated with the placement (e.g. parking, bus tickets) or specific requirements (e.g. police checks, health requirements). **These costs are the responsibility of the student.** Keeping this in mind the following are examples of community placements and projects. A few of them already involve Brescia students, while others are suggested by community partners and faculty members as good prospective practicum experiences. Please check off the ones that are of interest to you; add some ideas if you wish.

- Organize a tutoring program or homework club in a disadvantaged school or neighbourhood
- Run programs at Merrymount for children from families who are experiencing distress and crisis
- Promote and conduct information sessions on woman's issues for high school students
- Assisting "Investing in Children" in coordinating & promoting "Kid's First Day" or "The Youth Leadership Conference"
- Outreach with information and referrals to multicultural women
- Help family members in a London Housing project to use computers for resumés, homework, a youth newsletter, and other uses

- Assist young offenders to re-integrate with housing, employment, and community services.
- Work with a rural development team to survey existing transportation patterns with a view towards improving rural residents' access to needed services/opportunities.
- Form a conversation club in a housing project to help adults practice English and share experiences.
- Facilitating programming for people with disabilities
